REGULATORY COMMISSION

CAUSE NO. 42374

You are hereby notified that the Indiana Utility Regulatory Commission has, on this date, caused the following entry to be made:

On February 6, 2003, Washington Township Water Corporation ("WTWC") filed its Verified Request for a Commission Review of Consumer Affairs Division Decision on Informal Complaint and Request for Stay of Consumer Affairs Division Pending Outcome of Commission Review. Thereafter, on February 21, 2003, the presiding Administrative Law Judge entered a docket entry in this Cause, directing the parties to attempt to informally resolve the matter and report the results to the presiding Administrative Law Judge within thirty (30) days. On March 24, 2003, WTWC, by counsel, filed its Report to Administrative Law Judge and Request to Submit Proposed Resolution and Request to Extend Stay, which Report informed the presiding officer that the parties had been unable to resolve the matter informally. WTWC also proposed to submit a "Proposed Resolution" and request to extend the stay.

The presiding Administrative Law Judge, being sufficiently advised, notes that the parties have been unable to informally resolve this matter, and it will now be moved to the active docket for resolution.

This Cause is set for a Prehearing Conference to be held on Wednesday, April 30, 2003, at 10:00 a.m. in Room E306, Indiana Government Center South, 302 West Washington Street, Indianapolis, Indiana.

IT IS SO ORDERED.

Thomas Cobb, Administrative Law Judge
